2022-23			
Name of the Webinar/seminar/Training Program	**Resource person**	**Date**	**Institute/State/ National/International**
workshop on "Internet of Things (IoT)"	Mr. Atanu Roy Chowdhury, Founder, Capsule Lab, IoT Evangelist	24.08.2022 26.08.2022	Institute
Machine learning-based Edge intelligence: Accelerating Digital Transformation in Challenging Times	Prof. (Dr.) Debasis De, Computer Science and Engineering, MAKAUT, West Bengal	19.09.2022	Institute
Recent Advances on Script Identification	Prof. (Dr.) Kaushik Roy , Computer Science, West Bengal, State University	02.12.2022	Institute

2021-22			
Name of the Webinar/seminar/Training Program	**Resource person**	**Date**	**Institute/State/ National/International**
Workshop on Wireless Body Area Network	Prof (Dr). Suparna Biswas, Associate Professor, Dept. of CSE, MAKAUT	17.08.2021	Institute
Workshop on Journey Towards Deep Learning	Dr. Paramita Chattopadhyay, Associate Professor IIEST Shibpur	15.11.2021	Institute
Seminar on Machine Learning Approach for Predictive Analytics	Prof. (Dr.) Jyotsna Kumar Mandal, Professor of Computer Science & Engineering, Kalyani University, India	27.01.2022	Institute
Seminar on Formal verification of machine learning and its application in cyber-physical systems	Dr. Sumana Ghosh, Assistant Professor, Indian Statistical Institute (ISI), Kolkata	08.03.2022	Institute
Seminar on Applications of AI in Flying Robots	Dr. Punyasha Chatterjee, Associate Professor, Department of Mobile Computing and Communication, Jadavpur University	10.05.2022	Institute
Seminar on Spatio-Temporal DNN techniques for Video Analytics	Prof. (Dr.) Amlan Chakraborty, Professor of IT, University of Calcutta, Kolkata, India	09.06.2022	Institute

2020-21			
Name of the Webinar/seminar/Training Program	**Resource person**	**Date**	**Institute/State/National/International**
Webinar on Web Development Using Python with Django Framework	Anup Kumar Paswan, Web & Android Developer, TechTree Technologies	29.04.2021	Institute
Webinar on Multi Agent System	Ms. Abira Sengupta, Research Scholar Otago University, NewZealand	28.04.2021	Institute
Webinar on Machine Learning in the Internet of Things	Mr. Atanu Roy Chowdhury, Founder, Capsule Lab, IoT Evangelist	16.04.2021	Institute
Webinar on Building Your Technical and Verbal Proficient Career	Mr. Abhishek Anand, Application Development Associate, Accenture	15.12.2020	Institute
Webinar on Evolution on Mobile	Dr. Sucharita Chakraborty, System Scientist at Space Application Centre	12.12.2020	Institute
Webinar on Intelligence in IOT	Atanu Roy Chowdhury, Founder, Capsule Lab, IoT Evangelist	10.12.2020	Institute
Webinar on Multicamera Automotive vision System	Arindam Das, Senior Engineer,Valeo	5.12.2020	Institute
Webinar on Distributed Computing Environments	Dr. SunirmalKhatua, Assistant Professor, Dept. of CSE, University of Calcutta	4.12.2020	Institute
A session with Industry person on Career Aspects, Rewards and Opportunities in Engineering	Himadri Shekar Pal, Technical Associate,Tech Mahindra	25.11.2020	Institute
Webinar on Development in Microsoft Office 365	Mr. ParthaPratim Mandal, Senior Solution Architect, Atos Expert in Microsoft Technologies	21.11.2020	Institute
A Motivational Session with Swami Vedatitananda Maharaj	Prof Swami Vedatitananda Maharaj, R K Mission Shilpamandira	20.11.2020	Institute
A Session on Evaluation of Machine Learning	Prof. Ajoy Kumar Ray, Former Director IIEST Shibpur	19.11.2020	Institute
Training on Arduino & Android	Samprit Sarkar, Associate Product Engineer, Tech Tree Technologies	24.08.2020 - 31.08.2020	Institute
Training on ML with Python	Md. Zahir Abbas Rahaman, Associate Product Engineer,Tech Tree Technologies	24.08.2020 - 31.08.2020	Institute
Training on Artificial Intelligence	Mr. Partha Koley, Associate Product Engineer, Tech Tree Technologies	24.08.2020 - 31.08.2020	Institute

2019-20			
Name of the Webinar/seminar/Training Program	**Resource person**	**Date**	**Institute/ State/ National/International**
Webinar on IoT: The Uber Connected World	Mr. Rahul Dutta, PWC Pvt. Ltd, Director, Technology Consulting	12.04.20 & 16.04.20	Institute
Webinar on MongoDB	Mr. Abhisek Ranjan Jha, Analytical project, CTS	11.04.2020	Institute
Workshop on Machine Learning: Clustering & Retrieval	Dr. Debashis De, Professor, Department of Computer Science & Engineering, Maulana Abul Kalam Azad University of Technology West Bengal	06.02.2020	Institute
Seminar on Perspective of Machine Learning in Higher Education	Mr. Arka Deb Ghosh, Data Engineer, Santander UK	11.11.2019	Institute
Workshop on Quantum Computing: from Basics to the Cutting-Edge Specialization	Dr. Siddhartha Bhattacharyya, Principal of RCC Institute of Information Technology, Kolkata	08.07.2019	Institute

2018-19			
Name of the Webinar/seminar/Training Program	**Resource person**	**Date**	**Institute/ State/ National/International**
Seminar on Introduction to DevOps using Linux	Mr. Soumyadeep Chakraborty, TCS	07.11.2018	Institute
Seminar on Soft Computing Techniques & Its Application	Dr. Siddhartha Bhattacharyya, Principal of RCC Institute of Information Technology, Kolkata	04.10.2018	Institute
Seminar on Entrepreneurship IT's Technical Challenges & Issues	Mr.Anand Kumar Singh and Mr. Vasu Naman, Virazu Lab	09.07.2018	Institute
