Holi Celebration at Campus: Spring is Life, Spring is Hope

As the vibrant festival of colours approaches, Narula Institute of Technology geared up to celebrate Holi with enthusiasm and a sense of responsibility towards the environment. Beyond the colorful revelry, our Holi celebration offers a platform for cultural exchange and mutual respect. Students from diverse backgrounds came together and participated gleefully in the joyous festivities, fostering a sense of unity and inclusivity within our campus community.

Annual Alumni Meet, Nostalgia 2k24

NiT organized its annual Alumni Meet, Nostalgia 2k24 on 23rd March, bringing together former students from various batches to reconnect, reminisce, and celebrate their shared experiences. Attendees shared nostalgic moments and fond memories of their time at the institute, strengthening bonds and camaraderie. The event brings the pre Holi spirit and all the alumni were welcomed with the traditional "abir" and a refreshing thandai. The gala event also witnessed cake cutting ceremony followed by the lunch. The Alumni Meet served as a platform for alumni to reconnect, celebrate their shared heritage, and contribute to the growth and development of their alma mater. It reinforced the sense of belonging and pride associated with being a part of the institute's alumni community. The success of this year's Alumni Meet sets a promising precedent for future editions, with opportunities to expand and enhance the event to further engage alumni and strengthen their ties with the institute.

Winsome 2024: International Women's Day 2024.

The Women Cell of Narula Institute of Technology has organised multicolour events to empower the Women fraternity on the eve of this International Women's Day 2024. **Winsome 2024**, the celebration of Women's Day at Narula Institute of Technology commenced with the Inter Department Tug of war which symbolized the struggles and challenges that women have faced historically and continue to face today. The students from different departments participated gleefully in this event and championed the slogan: ***Inspire Inclusion and Pledge for Parity.*** The Tug of War represents the ongoing fight for gender equality, empowerment, and recognition of women's rights. The event was held on 8th March 2024 from 3PM onwards.

Women's Health and Hygiene is an imported factor elaborately discussed by Dr. Purbasha Roy and her team from Joint and Bone Care Hospital. Followed by this session, the women cell has also arranged a free Women Health Check-up Camp for the female students and faculty and staff members. Vital checkups like Blood Sugar, Blood Pressure, ECG, were conducted by the team. The Doctor, Dietician and Physiotherapist were there for a free consultation.

Atelier de la NIT

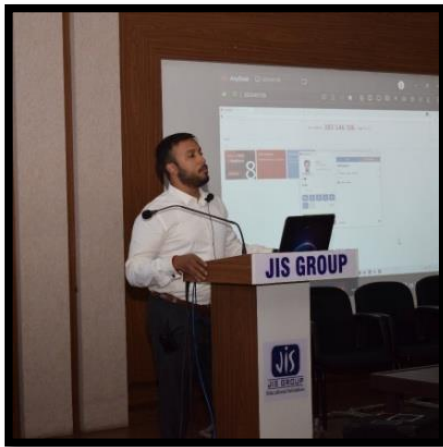

NiTians attended 36th National Seminar on Green Composites organised by IEI, Kolkata

The Institution of Engineers (India), Kolkata has organised 36th National Convention of Metallurgical and Materials Engineers & National Seminar on Green Composites from 29th February–1st March, 2024. Prof. (Dr.) Sumit Chabri, Head-Mechanical Engineering Department, NiT was the convener of the event. Along with him, Mr. Arghya Gupta, Assistant Professor, Mechanical Engineering department, NiT and ten students from NiT also participated in the seminar. Mr. Arghya Gupta gave a presentation on his research paper. Amongst the students, Manraj Singh and Arijit Sarkar from ME Dept., Narula Institute of Technology presented their respective research papers and gave presentations. Prinjal Pandit, M. Tech 2nd year student of Sur Tech under the guidance of Prof. Sumit Chabri, has given a presentation on his research paper.

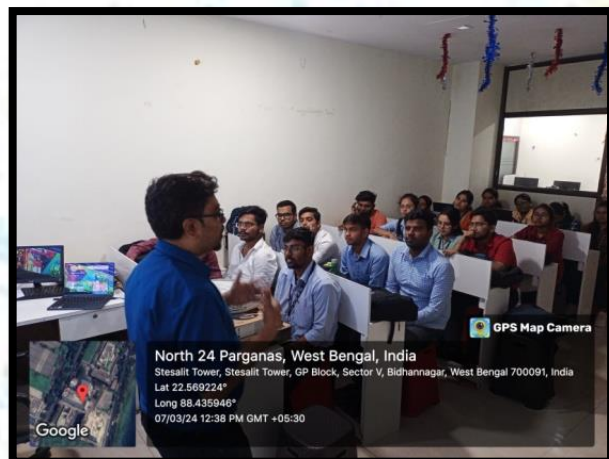

One-Day Workshop on “Modern Geotechnical Advancement in Civil Engineering Domain”

The Department of Civil Engineering of Narula Institute of Technology successfully organized a One-Day Workshop on “Modern Geotechnical Advancement in Civil Engineering Domain”. The honourable speakers were Mr. Chiranjib Sarkar, Principal Engineer, GEOCONSULT India, Vice Chairperson – TAIym, on the topic of "Basic Concept of Design and Construction of Tunnel and Underground Structure" and Mr. Shiladitya Mandal, Sr. Research Fellow, Department of Civil Engineering, IIT Madras, on the topic of "Effectiveness of Finite Element Software (PLAXIS) in Addressing Numerical Modelling and Behavioural Prediction of Different Elements and Geotechnical Issues". A total of 86 students from the background of B. Tech in Civil Engineering and M. Tech in Structural Engineering as well as Geotechnical Engineering took their keen interest in this workshop.

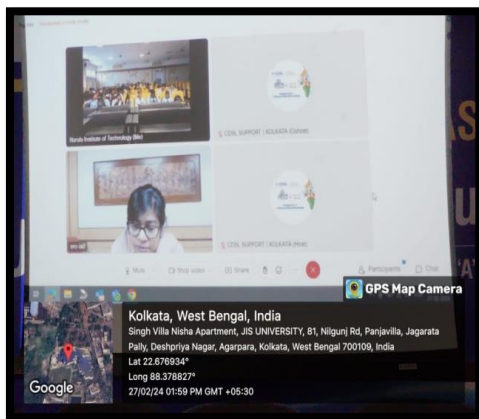

Industry Visit at Euphoria GenX

The Department of Computer Application at Narula Institute of Technology organized an Industry Visit for 1st year MCA students on 5th March and 7th March, 2024. Each group consists of 30 students. The visit took place at Euphoria GenX, Salt Lake City, Kolkata. Insightful explanations and presentations on various topics, including C Programming, core JAVA, node JS, react JS & other tools were explained to the students during the visit. Interview preparation with a particular emphasis on the significance of selecting a specific domain of interest have also been provided to the students.

Investor awareness program in association with SEBI (Securities & Exchange Board of India)

The Department of Business Administration, in association with SEBI (Securities & Exchange Board of India), organised an investor awareness program for the students and faculty members of the college on 26th February. The objective of the program was to create awareness about different financial instruments for investment and their risks and benefits. In this program, experts discussed the issues related to wealth creation, introduction to Securities Market, Basics of investing, Account Opening process, investment in Securities Market, Mutual Fund, Demat Account and its Importance and grievance Redressal mechanism. The students learnt the mechanism of the financial market. The speakers of the programme were Mr.Somnath Mozumder, Official of Central Depository Services Ltd, Kolkata, Mrs. Somrita Naskar, AGM , SEBI , Mr. Avijit Saha from BSE.

Eureka de la NIT

Mentor Mentee scheme with funding from MIC/AICTE.

Narula Institute of Technology is the proud recipient of the Mentor Mentee scheme with funding from MIC/AICTE. On the 27th March 2024, the first Orientation Session is scheduled where a galaxy of speakers: Dr. Ramjee Pallela, COO, Atal Incubation Centre, Dr. Arijit Bhattacharyya, Founder & CEO, Virtual Infocom and the key functionaries from Narula Institute of Technology will give valuable insights of innovation and entrepreneurship

Abdul Karim, B.Tech. Computer Science & Engineering, Class of 2024, from Narula Institute of Technology, has secured a prestigious placement at Zscaler with an impressive annual package of Rs. 26.5 Lakhs.

Electronics and Computer Science Department participated in the Annual Techno-Management fest 'Convolution 2024'

The Electronics and Computer Science Department of Narula Institute of Technology have participated in the Annual Techno-Management fest 'Convolution 2024' at Jadavpur University on 16th March, 2024. The competition name was Sparkhack. Two teams have participated and they have showcased innovative healthcare projects. They have got appreciation from the experts present in the judge's panel of the program. After the evaluation process one team has achieved the winner award with prize money of Rs. 7000 and the other team has got the 1st runner up position with prize money of Rs. 5000. Both teams felt inspired by the recognition they received.

Bridging Gaps

Stop Smoking Awareness Campaign

The **National Service Scheme (NSS) Unit of Narula Institute of Technology** organized a comprehensive Stop Smoking Awareness Campaign on March 13, 2024, in the nearby area. The campaign aimed to educate the local community about the harmful effects of smoking and encourage individuals to quit this detrimental habit. The objectives of the campaign are adopting a smoke-free lifestyle for overall well-being. Community people were invited to take a pledge to refrain from smoking and promote a smoke-free environment within their families and communities.

Campus to Company

Industry visit to ITC Limited

The Business Administration Department of NiT organized an industry visit to ITC Limited in Uluberia, Howrah, on March 28, 2024. This visit provided students with invaluable first-hand insights into the processing and packaging operations of the company. The visit was highly interactive, allowing students to engage directly with industry professionals and gain practical knowledge. It was a rewarding experience for all involved, with students thoroughly enjoying the opportunity to learn in a real-world setting.
