

*Department Of*

**ELECTRICAL ENGINEERING**

## **Guidelines for Project Allocation and Evaluation for UG students**

- The Department will provide the list of faculty members with their area of specifications.
- The students have to choose the theme/area of the project and form the project groups accordingly.
- Project group size should be less than/equal to 6 members.
- After the submission of the project groups with the theme, the department will allocate the Project supervisors to each of the groups.
- After the discussion with the allocated project supervisors, the groups need to submit the project title and synopsis of the work.
- The Project groups need to give the Progress seminar/presentation periodically as intimated by the department.
- The Students are advised to follow the project report format given in the departmental website:  
Link:  
[https://www.nit.ac.in/pdf/Project%20Report%20Format\\_UG.pdf](https://www.nit.ac.in/pdf/Project%20Report%20Format_UG.pdf)
- The project Groups need to submit 3 Copies of Hard Bound and 1 DVD comprises the soft copy to the Department.
- Final presentation will be evaluated by project evaluation committee during End semester examination.

**NARULA INSTITUTE OF TECHNOLOGY**

**NAAC 'A' Accredited | NIRF Ranked College**
