The department of Computer Science & Engineering of Narula Institute of Technology has organised a seminar on the topic "Present Applications of Artificial Intelligence in Robotics and Mechatronics" under the sanctioned grant for "Science Popularization Programme" sponsored by the Department of Science & Technology and Biotechnology (DSTBT), Govt. of West Bengal. This two-day long seminar was conducted physically at Narula Institute of Technology Campus on June 21st & 22nd, 2022.

The students of Narula Institute of Technology celebrated the World Day against Child Labour on 12th June, 2022 under the NIT NSS Cell. The theme for this year is "Universal Social Protection to End Child Labour". The students spread the awareness by preparing posters and asked the local people to Stop Child Labour and support the cause. They also tried to spread joy by chocolates and snacks to the child laborers to bring smile to their faces.

The Electrical Engineering Department of Narula Institute of Technology has signed MoU with "Sikharthy Infotech Pvt. Ltd." on 24th May, 2022 at the institute.

A Visit to Incubation Centre NASSCOM, Kolkata was organized on 31st May, 2022 by the IIC (Institute's Innovation & Incubation Committee) section of Narula Institute of Technology. Students from all departments and branches participated. It has been an excellent opportunity to participate in the NASSCOM industrial visit. The students also met one of the Entrepreneurs who told them about his journey and gave advice for the start-ups and tried to motivate the students in every way possible.

Students of Electronics and Communication Engineering of Narula Institute of Technology were taken on an industrial visit to MSME Tool Room and Training Center on 11th May, 2022

On the auspicious occasion of English Language Day on 27-28th May, 2022, Narula Institute of Technology organized a webinar session to make the official announcement of the MOU signing with the Indian Society for the Promotion of English Language & Literature (iSPELL) India. This is an endeavour of the English section of the Department of Basic Science & Humanities. This partnership aims to foster further the teaching and learning of English language and communication amongst the students and staff members Narula Institute of Technology.

The students and staff members of Narula Institute of Technology celebrated the advent of Bengali New Year on 13th April, 2022 with a message of unity and inclusion. Like every year a small cultural programme was put up in the campus, however this time the occasion became more gorgeous by a collage of performances marking the other regional New Years like Baisakhi, Bihu, Vishu and Puthandu.

On 29th March 2022, Narula Institute of Technology physically conducted an internal hackathon for Smart India Hackathon 2022 (SIH 2022). SIH 2022 is a national-level contest that aims to offer students a platform for ideating solutions to some pressing issues of various sectors, intending to develop a culture of product innovation and a problem-solving mindset. More than 80 teams across various departments submitted proposals for the internal hackathon. After initial screening by an expert committee, amongst 80 proposals, 40 were shortlisted for physical presentation. Based on the presentations of the proposed ideas at the internal hackathon, the jury members have shortlisted 15 prospective teams for the next phase of the National SIH 2022.

On the occasion of International Women's Day, this time the Women Cell of Narula Institute of Technology moved beyond the four walls of the campus and stood beside the downtrodden of the society. An initiative was taken to visit the sex workers in the Sonagachi area (Girish Park) on 8th March, 2022. A Team comprising eight faculty members and ten students started off from the campus carrying masks, sanitizers and gifts for those underprivileged womenfolk. The Women Cell distributed sanitizer and mask to the sex workers and campaigned about health and hygiene. The students distributed chocolates and stationary items to the kids over there.

The Women Cell of Narula Institute of Technology has organised a Breast Cancer Awareness Programme to educate the female students and employees on 1st February, 2022 from 1 PM onwards. Speaker: Dr. Rajesh Jindal, MD, Specialisation in Medical Oncology, Director of Medella Cancer Cure centre
