Report on   Faculty development Programme for Effective Teaching From the 17th to the 19th of July 2014

TEQIP-II Short Term Course on Faculty development Programme for Effective Teaching From the 17th to the 19th of July 2014

The three day short term course was organized by The Center for Educational Technology IIT, KGP. It focused on the emerging trends in educational technology that is vital to combat and solve the current educational challenges. The aim of the course was to improve the educational standard in all engineering institutions. The course was designed to aid faculties of engineering colleges with the new pedagogic designs, developments, delivery and evaluation as well as focus on pedagogical issues in education.
