

# JIS GROUP Educational Initiatives

In a world where education plays an unquestionably cardinal role in empowering individuals, the remarkable journey undertaken by the illustrious JIS Group, shines with resplendence. Over the span of 25 years, the erudite visionaries of the JIS Group has flourished to encompass an awe-inspiring array of 39 institutions, diligently serving a student population exceeding 45,000, offering 185 programmes. Sardar Jodh Singh, with his indomitable spirit and exceptional entrepreneurial acumen, has ventured into various sectors such as dairy, transport, infrastructure, iron & steel, cargo, logistics, information technology, agro, overseas ventures, movies, and much more. However, his pioneering efforts in the field of education are truly commendable and have garnered global recognition. Currently, the JIS Group oversees the best educational institutions in West Bengal, comprising 39 institutes, offering 185 programs, and catering to over 45,000 students pursuing diverse academic courses.

The largest educational conglomerate of Eastern India has been offering a diverse range of undergraduate and postgraduate programs spanning disciplines such as Engineering & Technology, Agriculture, Medical Science, Dental Science, Pharmacy, Hospitality, Law, Education, and Business Management. Accredited by esteemed government bodies like UGC, AICTE, NAAC, NIRF, NBA, PCI, BCI, DCI, MCI, NCHMCT, and affiliated with MAKAUT and WBSCTVESD, the JIS Group is dedicated to serving society as a torchbearer of knowledge, education, and employment opportunities. Through conscious and continuous efforts, the JIS Group has emerged as one of India's largest educational conglomerates, boasting a rich legacy spanning over 25 years. With collaborations with over 550 industries, 11 chambers, 73 universities, and 21 countries, the group strives to spread its educational excellence on a global scale.

## MISSION

To advance and enhance the learning possibilities by fostering awareness, developing holistic knowledge acquisition through discovery, innovation, exposure and interaction to build effective human talents

## VISION

Leading and inspiring knowledge & excellence in the society across the globe
