

NARULA INSTITUTE OF TECHNOLOGY

Aptitude Learning

Narula Institute of Technology is a leading Engineering & Management college, established in the year 2001 and located at Agarpara in West Bengal. Affiliated to West Bengal University of Technology and approved by AICTE. The college offers NBA accredited degree program in engineering: the four year B.Tech course is imparted in the streams like CSE,ECE,EE,CE,IT,EIE & ME. The institute provides a brilliant platform for pursuing higher studies through PG courses like M.Tech (CSE,ECE,VLSI,EE,CE),MBA and MCA. It has expanded to include diploma programs in EE, CE and ECTC under the affiliation of West Bengal State Council of Technical Education. As we provide wide range of Training and Placement to all individual associated to this institute.

We have a number of Companies visiting and already visited our campus to recruit students and provide placements. As there are different criteria and selection procedure to recruit students followed by different companies. Taking this into consideration Narula Institute of Technology has come up with a training program which would help the students to enhance their skill and abilities.

Aptitude Training classes refresh the fundamental areas of mathematics and logic of the students and cover like – Quantitative ability, Logical reasoning, Verbal ability etc.

Technical Training Sessions as a part of our training efforts. We conduct the surveys from time to time among corporate to understand the technological up gradations taking place. We figure out the most appropriate technologies and provide the required training based on these inputs. Apart from their regular classes, the student's are instructed to take training classes as part of their regular activities. We have students of different discipline scheduled at different timings to take this training. The training includes of Aptitude Training, Technical Training and Soft Skill Training as well.

As this training activity is carried on throughout the year, we started this training program with our first batch (2012-2016) pass out students starting from the month of January 2015. Post semester break the training class would commence for batch (2013-2017) pass out students. On successful training of these classes the institute will conduct Mock Assessments and Interviews which would help the students to build self confidence and be prepared to face all challenges of placements.
