

Farewell Program for 2010-2014 Pass out Batch

It was an initiative of the cultural club of SLC and the entire fourth year students of Narula Institute Of Technology of organizing a farewell party for their beloved students who left when term ended. Initially, the pass out students slowly sews together at the seminar hall of the college where the event was held. Although the party carried a tinge of sadness, the students had fun as they enjoyed every moment with their best friends. A cultural program was conducted where the talented singers and musicians out casted their talents and the seniors whooped and clapped.

To add more fun to the party the host of the event conducted few games which became one of the highlights of the party.

Then, the seniors were guided to receive the food packets. In honor of the pass out seniors, the 4th year students arranged mementoes “Nit Pass outs” which were handed over to all of them.

The pass out seniors was given specific titles like Mr. NIT to Anurag Singh and Ms. NIT to Piyali Saha. Lastly, DJ was organized to add more flavor to the party. When the party ended everyone was reluctant to leave. After all, for all the pass outs, that would be their last official function in the college. Farewell and all the best for their future.
