

## Four MCA students joined Indian Institute of Remote Sensing, IIRS Dehradun for final year project internship

Four MCA students named Ms. Satabdi Dey, Mr. Saikat Patra, Md. Rahim, Mr. Sunil Kumar Chowdhary selected for final year project internship at Indian Institute of Remote Sensing, Dehradun (IIRS). Ms. Satabdi Dey and Mr. Saikat Patra are working under Dr. Subrata Nandy, Forestry and Ecology Department (FED). Md. Rahim, Mr. Sunil Kumar Chowdhary are working under Dr. Praveen Kumar Thakur, Water Resources Department (WRD). All the projects will be jointly monitored by the IIRS and NIT faculty member. This is the 2<sup>nd</sup> batch of MCA students sent to IIRS,ISRO. Ist batch was sent in 2014 with 3 students. The students selected were Suvajit Dutta, Sharad Jash and Debasish Patra. All of them completed their internship projects successfully. After completion of their internships and the MCA program, they are well placed in their chosen field of interest in industry/institutions like Institute of Plasma Research Gandhinaga, IIRS, Dehradun. MCA department is aiming to strengthen the bond with IIRS in joint research collaboration in common area of interest.
