NiT Jewels 2026 : Celebrating Excellence across Every Sphere

Narula Institute of Technology celebrated the spirit of achievement and excellence at NiT Jewels 2026, a memorable evening dedicated to recognising the exceptional accomplishments of its students, faculty, and staff. The event honoured outstanding contributions across diverse domains, including Academic Excellence, Research Accomplishments, Technical Innovation, Cultural Excellence, Sports, Literary Achievements, and Community Engagement. NiT Jewels 2026 stood as a proud tribute to the individuals whose achievements continue to strengthen the Institute's legacy and motivate future generations to pursue excellence in every endeavour.

Science Direct & Knimbus Demo Session Enhances Research Excellence

The Library & Documentation Centre successfully organized a demonstration session on Science Direct (Elsevier) and the Knimbus Digital Library on 27th July 2026, aimed at strengthening research and digital resource utilization across the institute. The session was conducted by Mr. Abhishek Narayan, Senior Manager – Customer Success, in the presence of Mr. Sharansh Gond, Manager – Sales, East India. The programme witnessed enthusiastic participation from Heads of Departments, faculty members, and students from various disciplines. Participants gained hands-on exposure to the advanced features of the Science Direct and Knimbus platforms, learned effective techniques for research and content discovery, explored subscribed e-resources, and received valuable insights into publication support services.

Narula Institute of Technology Earns Prestigious NPTEL Honours

We have achieved another milestone by being recognized as the top-performing SWAYAM–NPTEL Local Chapter in Eastern India for the January–April 2026 semester. The Institute received the prestigious 'AA' rating from NPTEL, IIT Madras, securing 65th rank nationally and 3rd position in West Bengal, reflecting its sustained commitment to academic excellence and continuous learning. Adding to this achievement, the Institute was honoured with the distinguished NPTEL Local Chapter Star (LC Star) recognition for consistently ranking among the Top 200 Local Chapters for eight consecutive semesters. The certificates were received by Dr. Jayanta Pal, SPoC of the NPTEL Local Chapter, on behalf of the Institute, marking yet another proud moment in Narula Institute of Technology's pursuit of quality education and skill development.

Department of CSE (AI & ML) Signs MoU with Euphoria GenX Pvt. Ltd.

The Department of Computer Science and Engineering (Artificial Intelligence & Machine Learning) signed a Memorandum of Understanding (MoU) with Euphoria GenX Pvt. Ltd. on 24th July 2026, marking a significant step towards strengthening industry–academia collaboration. The signing ceremony was attended by Prof. (Dr.) Subhram Das, Principal-in-Charge, Dr. Sagarika Chowdhury, Head of the Department, Department of CSE (AI & ML), Mr. Sourav Ghosh, Zonal Head, Euphoria GenX Pvt. Ltd., along with faculty members and representatives from both organizations.

CAMPUS INNOVATION SPOTLIGHT

DHRUV.AI

Precision-Agriculture Drone Platform, Built by Students

Team DHRUV.AI clinches victory at HACK-O-NIT — Kritanj'25 Techno-Management Fest

GUIDED BY

Dr. Pushpita Roy
Assistant Professor, Dept. of CSE

Dr. Shubhendu Banerjee
Assistant Professor, Dept. of CSE

Both mentors guided the student team through every stage of DHRUV.AI — from the very first idea on a whiteboard to a working drone prototype demoed on the hackathon floor. Their mentorship in system design, data pipelines and pitch strategy was instrumental in the team's win.

Data Science: Shaping the Future with Innovation

The Department of Computer Science and Engineering (Data Science) continues to inspire future-ready professionals through innovation, industry-oriented learning, and academic excellence. Encouraging aspiring students to transform data into opportunities, the department offers a curriculum that combines cutting-edge technologies with practical, hands-on experience. Adding to this achievement, Dr. Parthasarathi De, Head of the Department of Data Science, was featured in a special talk on DD Bangla, where he shared valuable insights into the latest trends, emerging technologies, and the growing impact of Data Science across industries. His participation reflects the department's commitment to academic leadership and its vision of preparing students for the rapidly evolving digital world.

Industrial Training at Euphoria GenX Enhances Industry Readiness

The Department of Computer Science and Engineering (Artificial Intelligence & Machine Learning), successfully organized a two-day Industrial Training Programme at Euphoria GenX Pvt. Ltd., an ISO 9001:2015 Certified ITES Organisation, on 28th and 29th July 2026 for 60 third-year students (Batch 2024–2027). Conducted as part of the department's commitment to strengthening industry–academia collaboration, the programme provided students with valuable exposure to real-world industrial practices. The training was led by Mr. Sourav Ghosh, Zonal Head, Euphoria GenX Pvt. Ltd., who shared insights into software development, digital transformation, emerging technologies, and the professional skills essential for success in the IT industry.

Student Voices

ECE Student Shines at Sahotsava 2026

We are celebrating a proud achievement as Aranya Natta, a student of the Department of Electronics & Communication Engineering (ECE), secured the 1st Runner-Up position in Swarangini (Solo Singing Competition) at Sahotsava 2026. Competing against an exceptionally talented group of participants, Aranya impressed the audience and judges with a soulful and captivating performance that showcased his exceptional musical talent, confidence, and dedication. The institute extends its heartfelt congratulations to Aranya on this remarkable accomplishment and wishes him continued success and many more achievements in the years to come.
