❖ Navodaya 2025 Ignites with Electrifying Performances

Narula Institute of Technology's cultural extravaganza, Navodaya 2025, was an unforgettable celebration of music, energy, and talent. The fest witnessed a series of show-stopping performances that left the audience in awe.

The evening kicked off with the sensational TRAP Band, who delivered a thunderous, high-voltage performance that had the crowd jumping to every beat. Their powerful sound and electrifying stage presence set the perfect tone for the night. Anurag Halder captivated the audience with his dynamic performance. His unmatched energy, magnetic charisma, and strong crowd connection turned the atmosphere electric and made his act one of the evening's highlights.

Varun Jain, the soulful singing sensation, graced the stage with a mesmerizing performance. His heartfelt melodies and soothing voice brought a wave of emotion, striking a chord with every listener in the crowd.

Bringing the night to a thrilling close, DJ Kichh took over with pulsating beats and high-energy mixes, transforming the venue into a full-blown dance floor. The lights, the bass, and the vibes created a musical spectacle that wrapped up the fest on a euphoric note.

Navodaya 2025 wasn't just an event—it was an experience, a celebration of rhythm and unity, and a night that will be remembered for years to come!

❖ A Dual Celebration of Brilliance: JIS Puraskar & Innovation Award 2025 at NIT

Narula Institute of Technology proudly hosted a grand celebration of talent and creativity through the **JIS Puraskar 2025** and the **JIS Innovation Award 2025** on **May 20, 2025**. The event brought together students, faculty, and staff to honour exceptional accomplishments from the academic year 2023–2024. The **JIS Puraskar**, an extension of the prestigious **JIS Samman**, recognized outstanding contributions in academics, research, cultural activities, and sports.

Simultaneously, the **JIS Innovation Award** spotlighted groundbreaking ideas and inventive projects in a dedicated segment of the program. The celebration began with a warm welcome by **Prof. (Dr.) Soumen Banerjee**, Principal of NIT, followed by inspiring words from **Dr. Nidhi Singh**, Registrar. The presence of distinguished guests—**Prof. (Dr.) Neeraj Saxena** (Pro-Chancellor, JISU), **Prof. (Dr.) Nikhil Ranjan Das** (Director, CRNN, C.U.), **Prof. (Dr.) Mita Nasipuri** (JU), and **Mr. Vibhor Tandon** (Treasurer, CMA)—added great significance to the event. As awardees were honoured in categories such as **JIS Spirit**, **JIS Academics**, and **JIS Innovation**, the auditorium resounded with applause, celebrating the excellence, passion, and forward-thinking spirit that define the Narula Institute of Technology community.

❖ NiT Jewels 2025 : A Tribute to Exceptional Achievers

Narula Institute of Technology hosted its prestigious annual award ceremony, "**NiT Jewels 2025**", on **20th May 2025** at the **Sir J.C. Bose Auditorium**. The event served as a grand platform to honour the outstanding achievements of students, faculty, and staff from the academic year 2024–2025. This year's edition also featured a special segment titled "**Honour the Toppers**," which recognized top performers from various schools in board examinations, further extending NiT's commitment to academic excellence and outreach.

The event commenced with a warm welcome address by **Dr. Nidhi Singh, Registrar**, followed by inspiring words from **Prof. (Dr.) Soumen Banerjee, Principal**. The ceremony witnessed the felicitation of awardees across multiple categories, including **Special Category Awards, Co-Curricular Achievements, Long Service Awards (10 & 20 Years)**, and **School Toppers**. The excitement and enthusiastic participation from students added a vibrant spirit to the celebration.

Moments with some Champs:

❖ Farewell Celebrations for the 2021-2025 Batch

Departments of Narula Institute of Technology came together to organize a memorable farewell for the 2021-2025 batch. The event was filled with heartfelt moments, fun activities, and warm wishes as students prepared to embark on their next journey. Some joyful glimpses from the farewell are attached, capturing the spirit and emotions of this special day

Eureka de la NiT

❖ Proud Moment for Narula Institute of Technology!

Our Institution has been honored with the **News18 Bangla Education Eminence Award 2025** in the prestigious category of **Best Private Engineering College**.

This remarkable achievement stands as a testament to our unwavering dedication to academic excellence, cutting-edge innovation, and the holistic development of our students.

The award was proudly received by our esteemed Principal, Prof. (Dr.) Soumen Banerjee, on behalf of the entire NiT family.

EDUCATION EMINENCE 2025

❖ Resume Reboot – Build. Bold. Be Noticed.

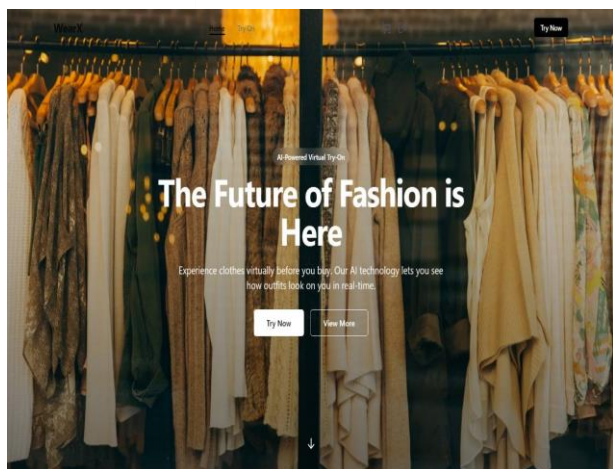

The Department of Business Administration organized Resume Reboot, a dynamic and hands-on workshop aimed at transforming the way BBA students approach resume building. Conducted by Sonali Dutta, renowned Josh Talks Speaker, the session empowered students to move beyond generic templates and craft resumes that reflect their unique strengths, skills, and stories. From decoding job descriptions and beating AI filters to showcasing individuality, the workshop helped students turn a simple CV into a powerful personal brand and career Launchpad.

Student Voices

❖ Proud Moment for Narula Institute of Technology at HackForge 2025!

We are thrilled to share that our talented team from the Department of Computer Science and Engineering—**Prajes Das**, **Sukalyan Chakraborty**, and **Monjima Dey**—guided by **Dr. Shubhendu Banerjee**, secured **Third Position** at **HackForge 2025**, hosted by Jadavpur University, Kolkata. Their innovative project, **WearX**, is a cutting-edge virtual try-on app powered by Augmented Reality (AR). The app allows users to try on earrings, necklaces, and clothes in real time, offering an immersive and enhanced online shopping experience.

Campus to Company

❖ Industrial Visit to NSCBTTC, Kalyani by CSE (AI&ML) Students

The Department of CSE (AI&ML) organized a one-day industrial visit to the Netaji Subhas Chandra Bose Telecom Training Centre (NSCBTTC), Kalyani, on 5th May 2025. A premier training institute under BSNL, Govt. of India, NSCBTTC offers specialized programs in telecommunications and network technologies. The visit aimed to provide students with real-world exposure to the telecom industry's evolving technologies and operations. A group of enthusiastic students from CSE (AI&ML) and CST departments actively participated while adhering to all safety protocols. During the visit, students explored:

- ❖ Recent trends and innovations in the telecom sector
- ❖ Practical insights into switching systems, transmission technologies, and mobile communication
- ❖ Applications of AI/ML in telecom, including automation and network optimization

The technical sessions and live demonstrations conducted by industry experts gave students valuable practical understanding, effectively linking classroom knowledge to real-world applications. Organized with support from faculty members, the visit proved to be a highly enriching experience, enhancing the students' technical know-how and preparing them for future professional challenges in the telecom and IT domains.

❖ Exposure Visit to IIM Calcutta Innovation Park by IIC

On **May 16, 2025**, the Institution's Innovation Council (IIC) organized an insightful exposure visit to the **IIM Calcutta Innovation Park (IIMCIP)** for students and faculty members. The initiative aimed to offer firsthand experience of the entrepreneurial ecosystem and innovation-driven ventures. The visit began with an inspiring session by **Mr. Soujit Ghosh**, Manager of the Innovation Cell at IIM Calcutta, who shared key insights on transforming ideas into sustainable business models. His guidance encouraged participants to think critically, creatively, and entrepreneurially. These exchanges fostered teamwork and expanded their entrepreneurial perspective.

A major highlight of the visit was the tour of the **Drone Innovation Lab**, where students engaged with stakeholders and gained practical exposure to drone design, manufacturing, and applications. The session offered a glimpse into cutting-edge technologies shaping the future of innovation.

Stellar Odyssey : Legacy of the Titans

❖ Alumni Talk by Mr. Niladri Das Inspires Future Engineers

The Department of Computer Science and Engineering, organized an inspiring **Alumni Talk** on **16th May 2025 at 11:00 AM**. The session featured **Mr. Niladri Das**, a distinguished alumnus from the 2007 batch and **Global Client Partner at TCS**, who delivered an engaging talk on “**Journey from College to Corporate.**” Mr. Das shared his professional journey, offering valuable insights into transitioning from academic life to a successful corporate career. His experiences, practical advice, and motivational anecdotes deeply resonated with the students, making the session highly interactive and impactful.
