

**SEMINAR ON CODING & DECODING
30th March 2017**

Venue: Seminar Hall, Narula Institute of Technology

Objective:

The concepts of Coding in Communication Engineering for the students and faculty

Speaker: Prof. (Dr.) S K Sanyal

Designation of Speaker: Professor, ETCE Department, Jadavpur University

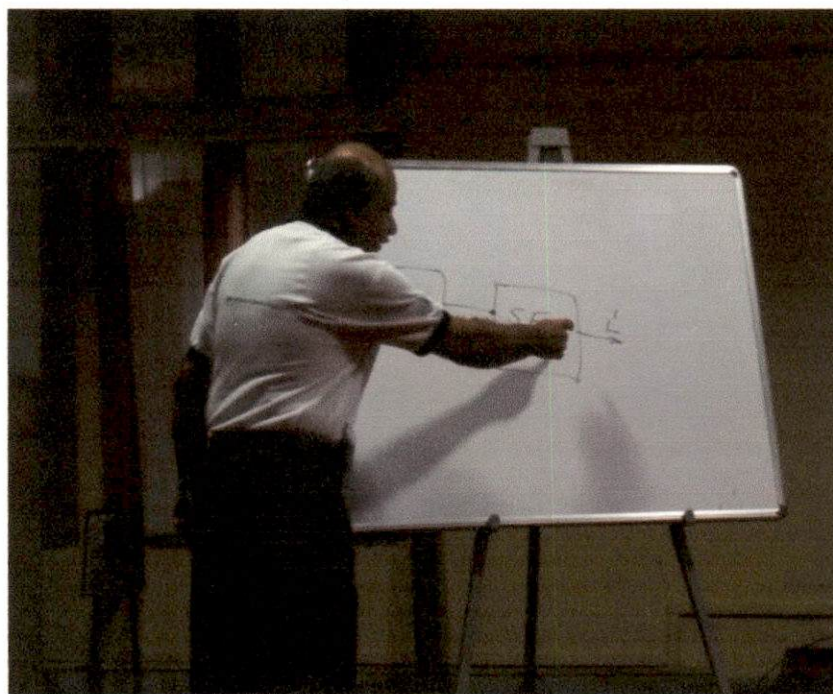

Date: 30th March 2017

Venue: Seminar Hall, Narula Institute of Technology

Number of participants: 140

Description of the Event:

On 30th March 2017, the seminar hall of Narula Institute of Technology witnessed a glorious event of a seminar on coding and decoding organized by the Electronics and Communication Engineering Department from 11:00 pm to 1:00 pm.

Prof (Dr.) S K Sanyal illustrating the coding theory, Dated: 30/03/2017

The program started with the lightening of the auspicious lamp and welcome address by The Principal of Narula Institute Of Technology, Prof. (Dr.) M.R Kanjilal who welcomed our Honorable guests Prof. (Dr.) Salil Kumar Sanyal, ETCE Department, Jadavpur University.

NARULA INSTITUTE OF TECHNOLOGY
81, Nilguni Road. Agarpara, Kol-109

The seminar comprised a gathering of 120 students and 20 faculty members. Total 140 participants were present. The motive of the seminar lies intending to inculcate the passion and determinism for coding to ensure prosperous growth in the domain of Information technology among many others. The seminar was interesting, interactive, and informative at the same time. The event concluded with a vote of thanks from the HOD of the ECE Department, Dr. Saradindu Panda.

Outcome:

The students and faculty learned about the coding theory and how it effects the performance of the communication system.

WORKSHOP ON PLC & SCADA

10th -12th May 2017

Venue: Seminar Hall, Narula Institute of Technology

Objective:

To make students visualize the need and benefits of industrial automation

Venue: Seminar Hall, Narula Institute of Technology

Speaker: Mr. Joydeep Nath, Faculty, Micropro Training Institute

Number of participants: 65

With the initiative to help the budding leaders of tomorrow, visualize the need and benefits of industrial automation in every step that we take in almost every sphere of our lives, the Electronics and Instrumentation Engineering Department, NIT, have organized a workshop on PLC and SCADA from 10.05.2017-12.05.2017. The seminar hall of the institute stands as the venue for the event from 1:00 pm to 3:00 pm on the mentioned dates.

Participants in the inaugural session. Dated:10/05/2017

The event was inaugurated by our honourable Principal Madam of. (Dr.) M.R Kanjilal and the participants of 65 people including students and faculty members were addressed by Mr Joydeep Nath, Faculty, Micropro Training Institute.

Principal
NARULA INSTITUTE OF TECHNOLOGY
81, Nilgunj Road, Agarpara, Kol-109

Hands on session by Mr. Joydeep Nath, Dated: 12/05/2017

On this occasion, different aspects for industrial automation were discussed by honourable guests and hands-on sessions were also incorporated to provide a better overview. Finally, the event concluded with a vote of thanks.

Outcome: Students learned about the PLC and SCADA.

WORKSHOP

on

VLSI AND EMBEDDED SYSTEM

Date: 03.04.2017-07.04.2017

Venue: Seminar Hall, Narula Institute of Technology

Objective: To enhance the knowledge of students and faculty on the topic of embedded system

Venue: Seminar Hall

Date: 03.04.2017-07.04.2017

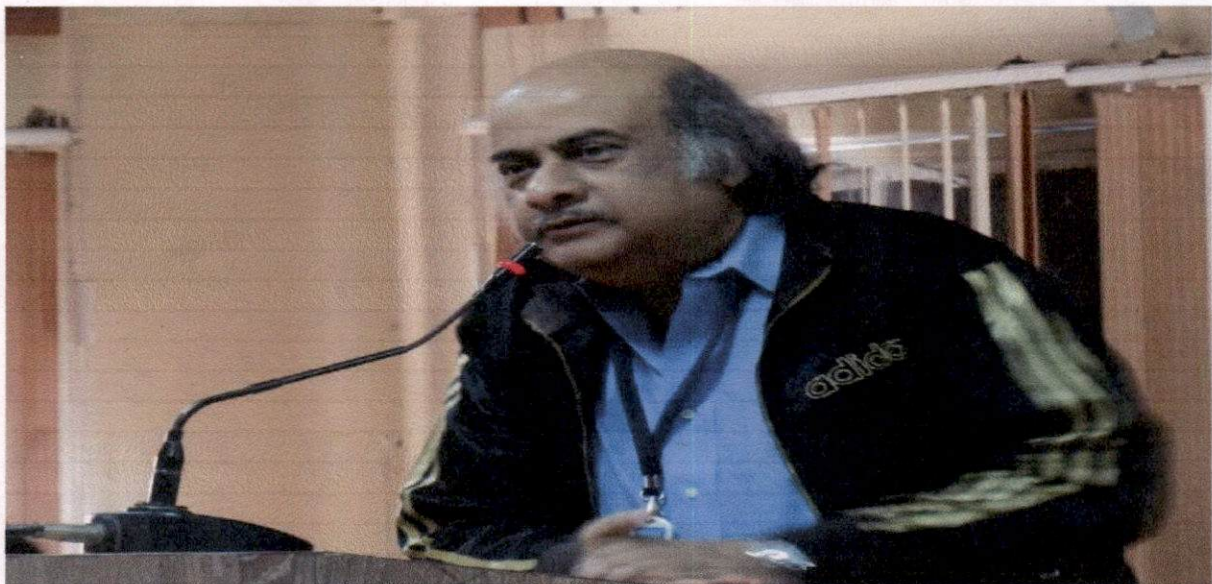

Speaker: Prof. Dr. S K Sanyal, ETCE, JU

Designation: Professor, , ETCE, JU

Number of Participants: 157

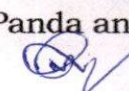

Description of the Event:

The Narula Institute of Technology organized a workshop on "VLSI and Embedded System" from 3rd April, 2017 to 7th April, 2017 at our institutional Seminar Hall. The speakers were Prof. Dr. S K Sanyal, ETCE, JU

Prof. Dr. S K Sanyal, ETCE addressing the session: Dated: 03/04/2017

Honourable Principal Madam Prof. (Dr.) M.R Kanjilal was inaugurated the session and a total 157 participants attended the seminar. The speakers shared their experience and enlightened the students of B.Tech., M.Tech. and Diploma about the various aspect of VLSI and Embedded System. They were further guided by Dr. Saradindu Panda and Mr. Avijit Dey in the lab.

SEMINAR

“Communication and Networking”

Date: 5th May, 2017

Venue: Seminar Hall, Narula Institute of Technology

Objective:

To explain the use cases of Communication and Networking in Medical Application

Date: 5th May, 2017

Venue: Seminar Hall, Narula Institute of Technology

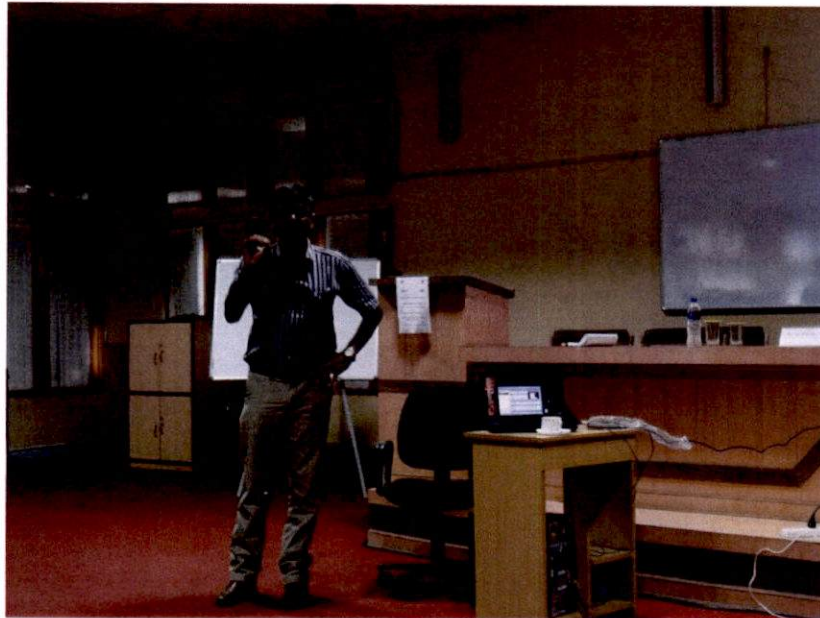

Speaker: Mr. Anirban Dutta Chowdhury,

Designation: TCS Innovation Lab,

Number of Participants: 185

Description of the Event

The Department of ECE of Narula Institute of Technology organized a seminar titled on 5th May, 2017 from 1:00 pm to 3:30 pm at our institutional Seminar “Communication and Networking” Hall. The speaker was Mr. Anirban Dutta Chowdhury TCS Innovation Lab . Dr. Saradindu Panda inaugurated the session and a total 185 participants attended the seminar.

Mr. Anirban Datta Majumdar demonstrating healthcare based communication system :
Dated: 5th May, 2017

The speaker shared his experience and enlightened the students of B.Tech., M.Tech. and Diploma about the various aspect of Communication and Networking. The session was very interesting and all the participants enjoyed the session and also interacted with the speaker throughout the session.

SEMINAR
“IOT and Cyber Security”
12th July, 2016

Venue: Seminar Hall, Narula Institute of Technology
Speaker: Mr. Mukul Basu, ‘TECHTREE TECHNOLOGY’

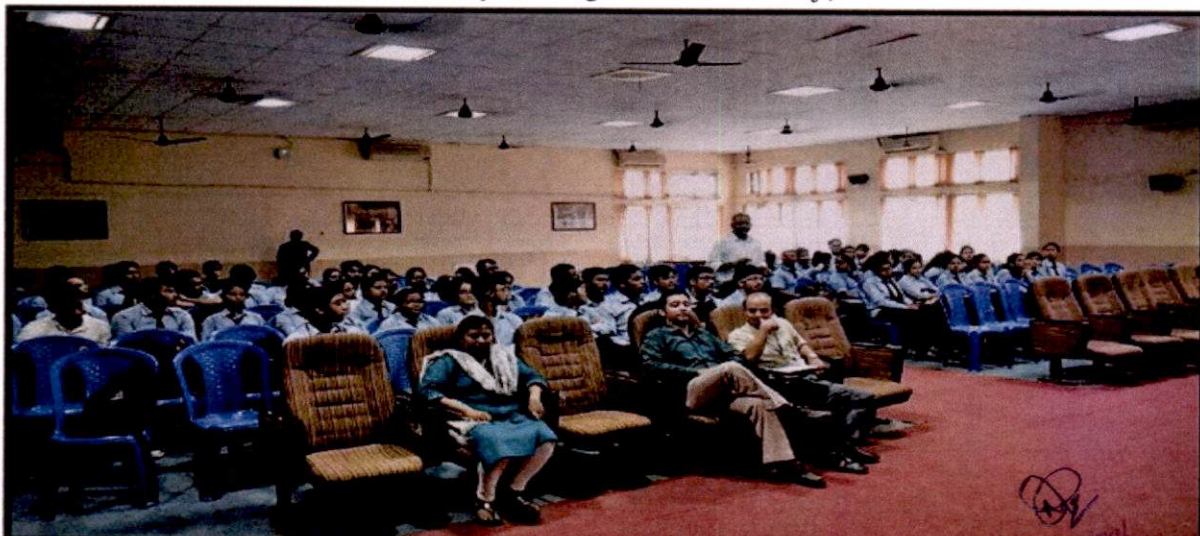

Objective: To enhance knowledge on IoT
Number of participants: 93

The Department of Computer Science and Engineering of Narula Institute of Technology organized a seminar titled “IOT and Cyber Security” on 12th July, 2016 from 2:00 pm to 4:00 pm at our institutional Seminar Hall. **The speaker was Mr. Mukul Basu from prestigious Kolkata based IT education Institute ‘TECHTREE TECHNOLOGY’. ‘Internet of Things’.**

A total of 93 participants attended the seminar. The speaker shared his experience and enlightened the students of B.Tech., M.Tech. and Diploma about the various aspect of IOT and Cyber Security.

Mr. Mukul Basu presenting, Dated: 12th July, 2016

Audience: Dated: 12th July, 2016

The session was very interesting and all the participants enjoyed the session and also interacted with the speaker throughout the session. The session came to an end by vote of thanks by HOD- CSE of Narula Institute of Technology.

Outcome: The students learned on the different aspects of IoT.

SEMINAR ON NANO ROBOTICS

23th February, 2017

Venue: Seminar Hall

Objective of the event:

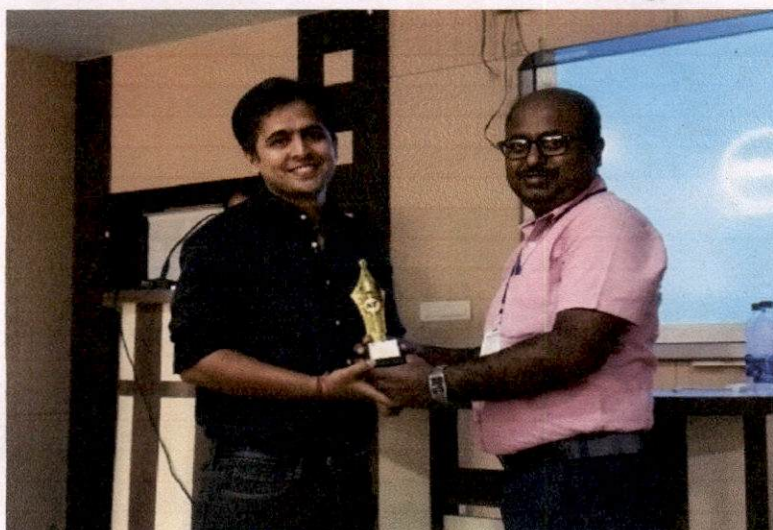

To introduce about the concept of nano robotics to students

Speaker of the session - Mr. Anand Singh

Designation: Co-Founder, Vyrazu Labs

Total number of participants:- 267

Venue: Seminar Hall, Narula Institute of Technology

Mr. Anand Singh being felicitated, Dated: 23/02/2017

Description of the Event:

The Department of EE of Narula Institute of Technology organized a seminar titled "Nano Robotics" on 23th February, 2017 from 2:00 pm to 4:30 pm at our institutional Seminar Hall.

Principal
NARULA INSTITUTE OF TECHNOLOGY
81, Nilgunj Road, Agarpura, Kol-109

Prof. (Dr.) M.R Kanjilal was inaugurated the session and a total 267 participants attended the seminar.

Participants attending the session, Dated: 23.02.2017

The speaker shared his experience and enlightened the students of B.Tech., M.Tech. and Diploma about the various aspect of Nano Robotics. The session was very interesting and all the participants enjoyed the session and also interacted with the speaker throughout the session. The session came to an end by vote of thanks by of Narula Institute of Technology.

Outcome: Students and faculty came to know about the latest topics of research in robotics

WORKSHOP ON EMBEDDED WEB TECHNOLOGY

15th March, 2017

Objective of the event: To enhance the knowledge of the students on embedded web technology

Speaker of the session – Mr. Vasu Naman

Designation: Co-founder of Vyrazu Labs.

Total number of participants:- 154

The Department of Electronics and Instrumentation Engineering of Narula Institute of Technology organized a workshop titled “Embedded Web Technology” from 15th March, 2017 to 17th March, 2017 at our institutional Seminar Hall. The speaker was Mr. Vasu Naman, Co-founder of Vyrazu Labs.

Honourable Principal Madam Prof. (Dr.) M.R Kanjilal was inaugurated the session and a total 154 participants attended the seminar. The speaker shared her experience and enlightened the students of B.Tech., M.Tech. and Diploma about the various aspect of Embedded Web Technology.

Session on going, Dated: 15/03/2017

The session was very interesting and all the participants enjoyed the session and also interacted with the speaker throughout the session. The session came to an end by vote of thanks by Prof. Bansari Deb Majumder, HOD-EIE of Narula Institute of Technology.
