VOL 0, NO. 1,JAN – JUNE 2010

FROM CHAIRMAN'S DESK

The main focus of our group is to empower students with sound knowledge, wisdom, experience and training both in the academic level of Engineering and Technology in the highly competitive global industrial market. Adequate care is taken to give every student an enjoyable, well-rounded and secure educational environment. Help and care is always at hand for the students.

Publishing half yearly departmental news letter indicates a continuous growth of not only the department but also the faculty and students.

I wish the best for all our students, and the members of the college who reiterate their aims at providing the best in academic and extra-curricular fields on excellent lines.

Sardar Jodh Singh

FROM DIRECTOR'S DESK

I must compliment the faculty, staff and students of ECE Department, Narula Institute of Technology for carrying the dreams and aspirations of the founding fathers of the Institute by involving themselves in many research, training and policy advocacy activities that have been reported in the Newsletter. The Institute has been relentlessly strengthening its activities and focusing on the thrust areas. In 2012, more testing challenges await the Institute, and I am sure the ECE Department, Narula Institute of Technology fraternity will not be found wanting in meeting them.

Prof. A. Guha

FROM PRINCIPAL'S DESK

The idea of publishing the news letter keeps the surroundings aware of what developments are going on in a department. It not only encourages the faculties as well as students to explore their ideas but also provides recognition to their contribution to the engineering field.

I congratulate ECE department for the initiative of publishing this news letter and wish that the content of the news letter increases not only quantitatively but also qualitatively every time it is published.

Prof. J. K. Das

FROM H.O.D'S DESK

To begin with, I take the privilege of thanking Respected Chairman and Director of JIS group, Principal, NIT for giving a desk in our first in house news letter of ECE department, which is very heartening for us.

It is not feasible to embrace all the events of a year but an attempt is done to circulate as much as achievable. I show appreciation towards the involvement of each teaching and non teaching staffs of ECE for the issue of this news letter.

I personally thank Prof. P. K. Banerjee, Prof. A. K. Mallick and Prof. J. Das, for their enormous encouragement and guidance.

Prof. M. R. Kanjilal

DEPARTMENTAL NEWS

- ❖ ***QualNet 5.0 software which is high end software for wireless communication networking has been procured by the department for M-tech course. This software can perform all the modeling of the existing communication architectures based on IEEE specification.***
- ❖ ***Requisition for HFSS have been in consideration and would be procured very soon.***
