NOTICE

Narula Institute of Technology celebrates the 'International Mother Language Day' to pay homage to our 'Matrabhasha'. Mother language is our pride and it brings cultural and social harmony among the provinces of our country. To promote solidarity and linguistic awareness among us the Art & Cultural Club of SLC, organizes a debate both in 'Bengali' and 'Hindi' in Language Lab 1 on 19th Feb 2015 from 10.30 am onwards. In our college there is a conglomeration of different culture, caste and religion. To promote the spirit of cultural, social and linguistic harmony we have taken this great initiative. We will organise a debate on that day in two languages and the topic will be – "Should Matrabhasha be the parallel mode of communication for official correspondence."
