Dear Sir,

Greetings from Narula Institute of Technology! At the outset I like to extend my heartfelt thanks for arranging campus drive at our Institute. As per our record a good number of students from our institute are working in your esteemed organization and we hope they are working at their best with your expectations. Now as per the request of different head of the departments we need to have feedback of the students in respect of their performance and curriculum, specially if anything is required for the betterment of the students. We are always looking for the all-round development of our students and your feedback will help us to keep up with our standards further. I have attached one format for the same or otherwise you can also submit the same from the following link.

<https://forms.gle/wTTAmBBEG5veNthD6>For details of our curriculum please refer to our website www.nit.ac.in.

Hope you will extend your cooperation like the earlier years.

Thanking you,

Regards,
