Dear Sir

My name is Dr.Anilesh Dey, Coordinator of Internshala Narula Institute of technology.

Please send the updated detected students (Narula Institute of Technology) database from 2018 to till date . we found that there were some ambiguity in overall internship selected database https://internshala.com/tnp/dashboard?utm_source=weekly_hired. which i mentioned in the previous email Jun 24, 2020, 8:26 AM.

We know the ranking of the Institute based on your database. so if the database is not properly updated that will also reflect the rank of the Institute also.

Please look into this matter and send the overall updated students database as early as possible.

Once again I request you please update my mail id : anilesh.dey@nit.ac.in in your database too.

Regards
