Subject: Extension of the Period of Accreditation Status granted to PG Engineering Programs offered by Narula Institute of Technology, 81, Nilgunj Road, Agarpara, Kolkata - 700 109, West Bengal.

Sir,

This has reference to NBA's letter of even number dated 28-10-2016 under which three PG Engineering programs offered by your institution were granted provisional accreditation for 2 years upto 30-06-2018 at Tier-II by National Board of Accreditation.

2. National Board of Accreditation (NBA) has decided that in all cases where PG Engineering programs of an Institution were granted provisional accreditation for a period of 2 years, the period of accreditation of these programs shall be extended from 2 to 3 years subject to the condition that they meet the essential Pre-visit qualifiers. The Pre-visit qualifiers in respect of the programs submitted by Narula Institute of Technology, 81, Nilgunj Road, Agarpara, Kolkata - 700 109, West Bengal have been considered. The following PG Engineering program(s) meet the essential parameters of pre-qualifiers. Accordingly, the competent authority in NBA has approved the following accreditation status to the program(s) as given in the Table below:

Sl. No.	Name of the Program(s) (PG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Computer Science & Engineering	Tier-II Document	Accredited	Academic Year 2018-2019 i.e. up to 30-06-2019	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the competent authority, whichever is earlier.
2.	Electrical Power Systems				

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The programs have been granted accreditation for the period upto 30-06-2019, Narula Institute of Technology, 81, Nilgunj Road, Agarpara, Kolkata - 700 109, West Bengal should submit the Compliance Report at least six months before the expiry of validity of accreditation mentioned above to be eligible to be considered by the concerned Committee in NBA for further processing of the accreditation status. This could entail further extension of accreditation or a revisit, as deemed appropriate by NBA Committees.

5. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to Narula Institute of Technology, 81, Nilgunj Road, Agarpara, Kolkata - 700 109, West Bengal as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.
