Narula Institute of Technology (An Autonomous Institute)

About NIT

Narala Institute of Technology, (NiT) is a leading autonomous AICTE approved NACC accredited Engagement Sollage in affiliated to NAKAUT, WB located at A gaspers near Kolkata under the sagis of JIS Group since 2001. It bosses of the presingless NIRE ausking among 150 selected, institutes of India. NiT is running eight under groduate, four post griduate, three numbers of Diploma level programs and is also engaged in session servicy leading to Ph.D.—
The institute has its com BAS D cells and substantial

The institute has its own R.A. D cells and substantial repository of International and Notional Journal publications, E-Brooks, Online Lectures.

The limiture received on numbers R& D projects funded by UGC, BRNS and AICTE are numbers successfully till date. The Institute received World Bank assisted MHRD approved *TEQIP (Phase-II) Grant for Institutions technical Education Quality Improventers. The Institute is gligible for receiving control assistance under UGC

Recently the listings has secured the DST-FIST graft to appraise the Research Facilities. The Institute has collaborations with Tech Mahmara, Relarge Jio Infosom Ltd, CII, NASSCOM, Aspire Dorophive Skill feendation, Oracle, INFOSYS, NIT Sikkin, IIT-KGP, AIT Bangkok, Jadwyor University, IEEE, IEI and other organizations of repute.

About the ECE Department

The department offers premier professional technical teaching & training that keeps in pace with the latest developments in the field of Electronics and Communication Engineering. The Department has excellent infinistructure, highly expenienced facilities and professionals to deliver best technical education in ECE domain with trick towards Industry. The department organized frogramsorial & National Educational Programs (i.e. IEEE sporsored Seminars, Workshops, Faculty Development Programs and one day educational Industrial sours) in regular fishion. The Department also organized Poper presentation, Poster presentation.

Technical Quiz contest, Technical Report Writing Contest & Technical Workshop cam contest in association with IIT, Bombay Department has active IEEE CAS Scalern Branch Chapter and student chapter of IETE. The Dept. has more than 250 research publications in National & International Journals & Conferences, The Dept. is NBA acceptated and awarded four on-going MODROIS Projects, One 1028 funded by ARTH, One Minor Project funded by UGC. The R&D laboratory of the Department has professional simulation software for research and training, like Tancer SPICE, CADIENCE, Matlab, Visual TCAD, HFSS, SIMXA, SYNOSSIS, PROTIUS, Qualnet.

Active HDL, MPES Altera & Xilina ISE, TMS Kif with Code Composer Studio, ARM, PSC & DSP Development Board and Advanced FPGA kit, PCB fidinication laboratory &C.

NIT organises a One day Seminar on "Internet Of Things" in association with NASSCOM

info NIT =info@nit.ac.in> To: all users <ali@jisgroup.org> Fri. Jul 28, 2017 at 5:36 PMI

Narufa Institute of Technology in association with NASSCOM organised a one day seminar on "Internet of Things" (IOT) on 27 July 2017 at the IIS University and to craim.

The packed brane of students experienced and fire viewed the future automated world through the new technology of connectivity by Interset of Things. We were homoured to have two great sighwarts from the IT undestry to define a practical presentation

Mr. Atal Probath Agarwal, the Founder and Managing Director of Apt Software Avenues Pri. Ltd. Kolkata, a housage outbrane company which provides outbrane development and product engineering services to organizations around the world, specially to technology startups. He has even 25 years of experience in huilding complex software restoras both in technology and enterprise business domains. Mr. Agarwal cancel his Buchelot of Technology (Computer Science) from IIT, Khuxagpur and MS in Computer Science from Ratgers University, USA, and

Mr. Dibyonda Mondal, a Senior Embedded Engineer in Apt Software. He holds R Sc (Hone) in Mathematics from Calcuta University and an MCA from the then BT. College, Shibpur. He has over 15 years of experience in halding embedded systems, attentis, device drivers. Mr. Mondal specializes is brage processing, rarrigation control systems and simulation. He has also worked with Wigns Technologies Ltd in the area of embedded systems for anto-motions.

The detailed interactive session covered the following topics:

- ➤ A live skew mointain of an IOT vectors
- > letroduction to IOT
- Inductory muties for IOI
- ➤ IOT Andutectoral Components
- F. Somory & Devices
- > Consessioner
- > Middleware
- in Applications
- Skills & Opportunities in 101
- > How to get started in 1031

The cursoss students cleared their different queries related to sensors, RHD systems, communication systems and the litture prospects of RH.

The serminar was graced by

Industrial Automation - PLC and SCADA

into NIT sinfo@nit.ac.ins To: all users sali@jagroup.org= Tue: Sep 12, 2017 at 1:28 PM

Dear Ail

Department of Electronics and Instrumentation Engineering, Of Narula Institute of Technology had organised a two days Intercollege workshop on "Industrial Automation-PLC and SCADA" sponsored by IET from 4-5th September 2017.

This Workshop delivered a brief overview on PLC's, DCS and SCADA in Automation domain. Also, it provided hands on experience handling these sophisticated instruments and dealing with ladder diagram and SCADA software.

Students of various Engineering colleges like Jadavpur University, Megnad Saha Institute of Technology, Techno India salt lake, MCKV Institute of Engineering, B.P., Poddar Institute of Management and Technology and Narula Institute of technology had participated in this workshop. Some of the glimpses are given.

About the Institution:

Narula Institute of Technology was established in the year of 2001. Narula Institute of Technology is a leading Engineering & Management college, located at Agarpara in West Bengal. Approved by AICTE and affiliated to West Bengal University of Technology. The college offers NBA accredited degree programmes in engineering. The four year B.Tech course is imparted in the streams like IT, CSE, ECE, EE, CE, EIE & ME. The institute provides a brilliant platform for pursuing higher studies through PG courses like M.Toch (CSE, ECE, VLSI & Micro Electronics, EE- Power System, CE-Structural Engineering), MBA and MCA. It has expanded to include diploma programs in EE, CE. and ECTC under the affiliation of West Bengal State Council of Technical Education. The Institute is eligible for receiving Central assistance under the recognition of 2(f) & 12(B) under UGC Act. The institute is also accredited by National Assessment and Accreditation Council (NAAC). The college has also received the notable World Bank Assisted and MHRD approved TEQIP (Phase II) grant for the advancement of Technical Education. The institute boasts of a powerful R & D cell with immense contribution from the scholarly faculty members.

2016-2017

National Conference on Advance Computing, Communication and Devices'2017(NCACCD 17)

About the College

North Institute of Technology is a budge Exposuring & Management college, lected at Aperpara in West Rangel, approved by ACTS and affiliated in Fact Bangul Determiny of Technology. The college offers Albit accordinal degree Technology: The college office Nilst accordinal depre-programmes in engineering. The four our K-Tech course is supported in the arounds to Intilian platform for paramete higher studies through PO courses the M-Tech ICSE, ECE, TESE & ME, Minne Electronics. EE- Power Spates, CE- Research angineering; Milst and MCA. It has depended in module deforms programs in EE, CE and ICC while the ufficients of Host Bengal State Council of Exchance Education. The Institute is eligible for receiving Control assistance under the recognition of 20th & 12th under UCC Act. The nations is also accordinal by National Assessment and Accordinates also according to National Assessment and Astroduction Council (NAAC). The college has also received the mouth Evold Bank Assessed and IATRID approved TECOT Offices III great for the advancement of Technical Education and is a mention series for proceeding a vibrant and automobile atmosphere for teaching-learning.

About the Department

Experiment was established in the star 2001, 30 present 534 stadents (527 male and 527 female). A facility comprising 27 Fredmann, Associate Fredmann, and Australe Projection asset stadents with Date of Art apagement. The department and adoption trians comment. A softwardering (3 facustral Lab), and 312 computers with Leonal Line and 81-51 computers with Leonal Line and 81-51 contexting and a departmental Hirary with over 1,000 books. and 20 projects and journals. The department is also comprise with NBS Associated both A Tech and M Tech courses in Computer Science and Engineering

Objective of the Conference: National Conference on Advance: Compating, Communication and Devices OFCACCE/2017) seeks in bring sympler national researchers, industrial experts and academicines to present papers and granuse discussions on current research and development in state-of-the-art surfamilisates in Computing and communication. NCACCO 2017 Stream or Advances in Computing and Communications, and it will provide a forum for charing mainles, reperiorses and interaction on various facts of reciving technologies and genterm related to Computer Science, Information Technology and Encirosis. The legislights of the conference will be picture assume by experts on amonging perspectives of computing in the fields of National Security & Crystography, Clead Computing and Big Date Analytics, Date Montag and Date Warnhouse, Communication and Navo Technology, VLSF and Jeage Processing. The conference provides the most relevant apportunity to bring auguster students, recombine and prestitioners from Both scalenia and industry. The conference will include a pure personal program of inclinical sessions.

Other than the invited greaters and contributors of research papers, any student leader industry of Engineering and Technology may also participate in the conference Registration Fees

- - Frankly & remarch scholar Rs 200 Frankly & Fo 1000 Studies 200 Studies Fortispasis: 100-

Self Cage of the Registration fare needs to be filled up and need to the implement mail of. A hard supplement to be submitted at the Registration deal using with the registration flow (Cash only). Justi presenters need to register expensately.

About NiT

Nanza Institute of Technology, (NiT), in a leading autonomous AICTE approved NACC accredited Engineering & Management College is affiliated to MAKAUT, WB located at Agarpura near Kolkata under the acgis of JIS Group since 2001, It boasts of the prestigious NIRF ranking among 150 selected institutes of India. NIT is running eight under graduate, four post graduate, three numbers of Diploma level programs and is also organged in research activity leading to Ph.D. The institute has its own R.S. D cells and national

repository of International and National Journal publications, E-books, Online Lectures.

The Institute received ton numbers R& D projects funded by UGC, BRNS and AICTE are running successfully till date. The Institute received World Bank assisted MHRD approved TEQIP (Phose-II) Grant for Institutions technical Education Quality Improvement. The Institute is eligible for receiving central assistance under UGC

Recently the Institute has secured the DST-FIST grant to regrade the Research Facilities. The Institute has collaborations with Tech Mahindra, Relatine Jio Infocom Ltd, Cll. NASSCOM, Aspire Disruptive Skill foundation, Oracle, INFOSYS, NIT Sitkim, IIT-KGP, AIT Bangkok, Jadovpur University, IEEE, IEI and other organizations of repute.

About the ECE Department

The department offers premier professional technical teaching & training that keeps in pace with the latest developments in the field of Electronics and Communication Engineering. The Department has excellent infrastructure, highly experienced faculties and professionals in deliver best sechnical education in ECE domain with track towards Industry. The department organized International & National Educational Programs (i.e. IEEE sponsored Seminars, Workshops, Faculty Development Programs and one day educational Industrial tours) in regular fashion. The Department also organized Paper presentation, Poster presentation,

Technical Quir contest, Technical Report Writing Contest & Technical Workshop cam contest in association with IIT, Bornbay, Department has active IEEE CAS Student Branch Chapter and student chapter of IETE. The Dept. has more than 250 research publications in National & International Journals & Conferences. The Dept, is NBA accredited and awarded four on-going MGDROB Projects, One RPS funded by AICTE, One Minor Project funded by UGC. The B&D laboratory of the Department has professional simulation software for research and training. Nee Tonner SPICE, CADENCE, Matlab, Visual TCAD, HFSS, SIMICA, SYNOPSIS, PROTIES, Qualnet.

About the Institution:

Narula Institute of Technology was established in the year of 2001. Nursla Institute of Technology is a leading Engineering & Masagement college, located at Agarpara in West Bengal. Approved by AICTE and affiliated to West Bengal University of Technology. The college offers NBA accredited degree programmes in engineering. The four year B.Tech course is imparted in the streams like IT. CSE, ECE, EE, CE, EIE & ME. The institute provides a brilliant platform for pursuing higher studies through PG courses like M.Tech (CSE, ECE. VLSI & Micro Electronics, EE- Power System, CE-Structural Engineering), MBA and MCA. It has expanded to include diploma programs in EE, CE and ECTC under the affiliation of West Bengal State Council of Technical Education The Institute is eligible for receiving Central assistance under the recognition of 2(f) & 12(B) under UGC Act. The institute is also accredited by National Assessment and Accreditation Council (NAAC). The college has also received the notable World Bank Assisted. and MHRD approved TEQIP (Phase II) grant for the advancement of Technical Education. The institute

boasts of a powerful R & D cell with immense contribution from the scholarly faculty members.

NOTICE

This is to inform you that Fifteenth IIRS Outreach Programme scheduled to be conducted from 10th August - 27th November, 2015 on "Basics of Remote Sensing, GIS & Global Navigation Satellite System".

Prof. (Dr.) M. R. Kanjilal

Principal, NIT

Phinnipal rumita terbiada of Instructope 81. Nogorij Teuri, agaspera Kowaru-100 tilk

() Construented for information of

Principal's Table file

Professor and Advisor (R & O Projects and Committency)
All HCOs/TeCs/In-Charge Diploms Section
Registras/ACJ/Sele-Sepervisor/ACJ/Sersry/Secess/T & P Cell/TEOP Cell
Admission Cell/ Examination Cell/System Admiss/198 admiss
College Notice Standard Notice Standard

Seminar on "Problem Identification from Literature Review"

Technical seminar on "Satellite Communication & Remote Sensing"

One day seminar on Electrical Hazards

One day seminar On Electrical Hazards

On

13,07,2015

Organized by

Electrical Engineering Department Narula Institute of Technology

(An Autonomous Institute under MAKALT, WB

About NiT

Natural Issuitate of Technology, (NiTL is a leading autonomous Englistering & Management college, located at Agarpata. Kolkata under the ooglo of JIS Group since 2001 with the approval of All India Coursel for Technical Education, Government of West Bengal and is affiliated to MAKAUT, Wood Bengal. It booods of the prestigious NIRT ranking arroing \$50 selected Englishering Institutes of India.

It is also accredited by National Assessment and Accreditation Council (NAAC). The college has also toxolood, the notable World Bank Assisted and MIRID approved TEQIP (Please II) grant for the advancement of Exchinical Iduacation. It is eligible for receiving Central assistance under the recognition of 2018-1270 ander UGF Act.

Resource Persons:

Prof. Dr. Abbitandar De-

Professor, BEST, Shibpur, EE dep.

IMPORTANT DATES

Last date to register for the event:

12/07/2015

CONTACT PERSONS

Ms. Pratyusha Biswas Deb. EE. Dept.

protyusha.hiswasdeharnit.ac.in

Mob No: 9330243449

ABVISORS

Prof (Dr.) M. R. Karqifal, Principal, Nill.

Countinators of the event:

Ms.Pratyushe Biswas Dob

Objective of the Event:

To make students sowere of the electrical bazards and precontions to be taken

Seminar on air borne wind energy

Seminar on "An Appreciation of Nanophotonics: The Promise of Photonic Bandgap Material and Plasmasonic"

Seminar on "dSPACE Controllers with dSPACE Hardwares"

Two days workshop on "Rural Pavements design"

NARULA INSTITUTE OF TECHNOLOGY

DEPARTMENT OF CIVIL ENGINEERING

TWO DAYS WORKSHOP ON

"RURAL PAVEMENTS DESIGN"

24th - 25th August, 2015

Coordinators:

- Rajkumar Banerjee 9433894719
 ban.rajkumar@gmail.com
- Abhipriya Halder 9432547090 halder.abhipriya@nit.ac.in

visit: www.nit.ac.in

Workshop on "Power conservation for smart grids"

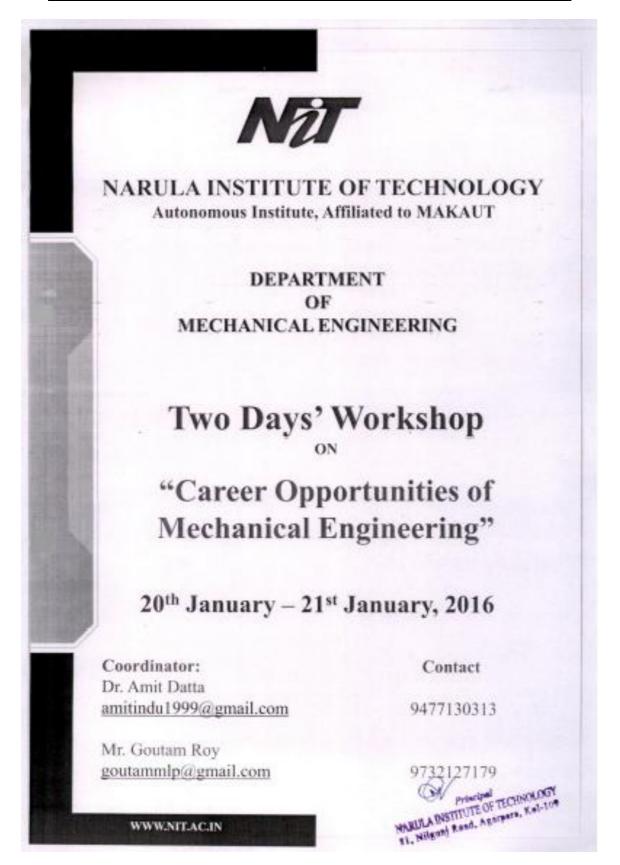

Two days' workshop on "Nanomaterials to Opportunities Abroad"

Two Days Workshop on "Career Opportunities of Mechanical Engineering"

Workshop on "Safety Awareness in Industrial Hazardous Area"

NARULA INSTITUTE OF TECHNOLOGY

Autonomus Institute, Affiliated to MAKAUT

DEPARTMENT OF ELECTRONICS AND INSTRUMENTATION ENGINEERING

"Safety Awareness in Industrial Hazardous
Area"

26th - 29th April, 2016

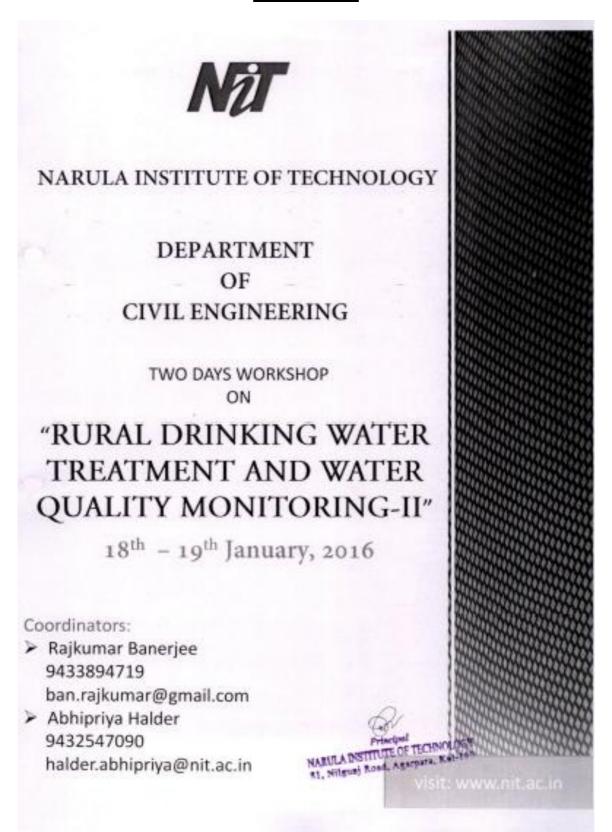

Coordinators: Susmita Das Susmita.das@nit.ac.in Contact:9903768390

MASURA DESTRUTE OF TECHNOLOGY ST. Nillowell Road, Aspersus, Co. 1979

WWW.NIT.AC.IN

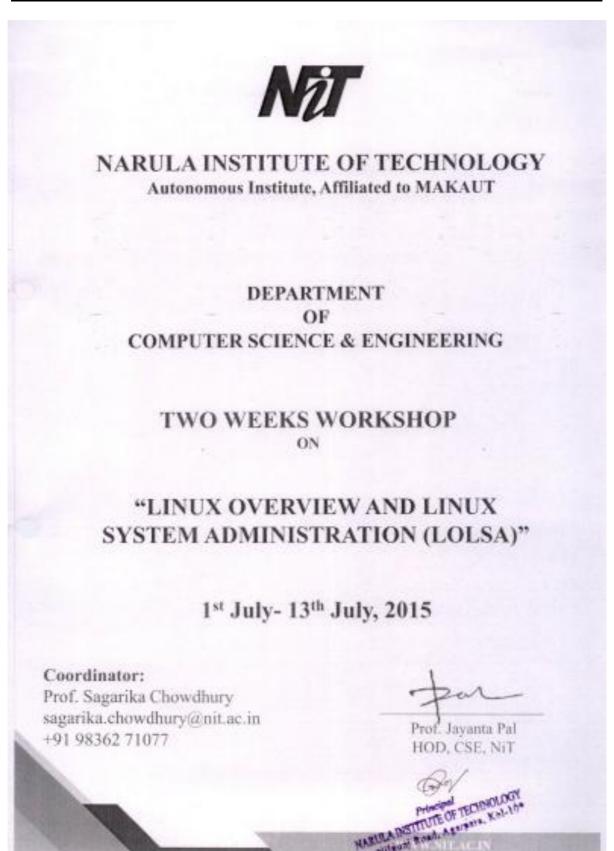

Two days workshop on "Rural Drinking Water Treatment and Water Quality Monitoring-II"

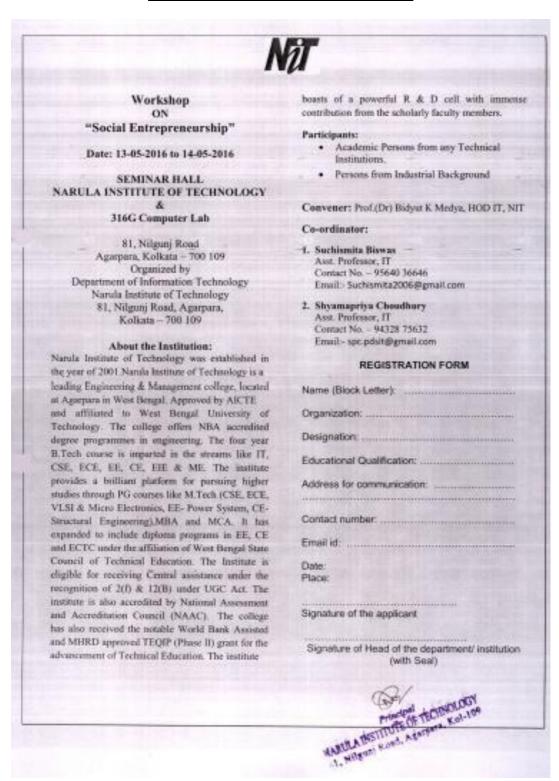

Two Week Workshop on Linux Overview and Linux System Administration (LOLSA)

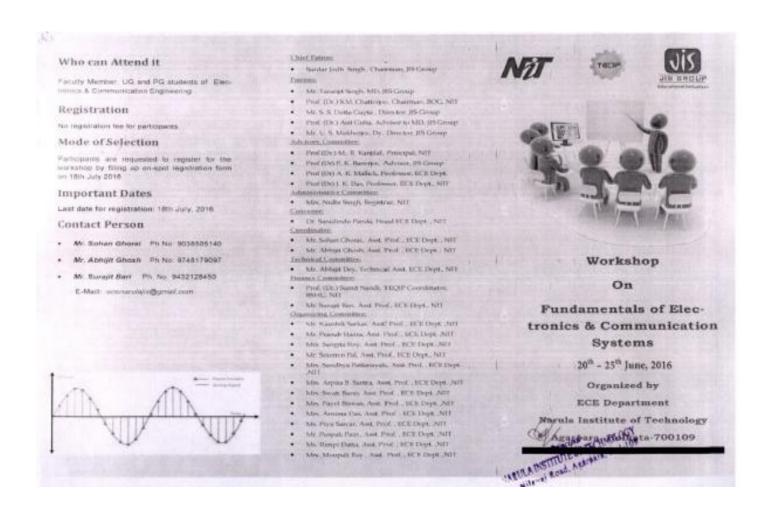

Workshop on Social Entrepreneurship

One week Workshop "On Fundamentals of Electronics & Communication Systems, 2016 (WFECS, 2KH)"

Workshop on "Recent Trends in Wireless Technology"

Workshop on "Recent Trends in Wireless Technology"

Date: 01-06-2016 - 04-06-2016

Time: 12:00pm to 2:30pm

Venue: Narula Institute of Technology, Kolkata

Organized by:

Electronics and Communication Engineering Department

Narula Institute of Technology (An Autonomous Institute)

About NiT

Norda Institute of Technology, (NiT), is a leading automatica. ARCTE approved NACC accredited Engineering & Management College in officiated to MAKAUT, WB located at Agraption new Kolkata ender the argin of ItS Group since 2001. It beasts of the prestigious NIRF making among 150 selected matrices of Italia. NIT is running eight under graduate, they members of Diploma level programs and it also engaged in research activity loading to Ph.D.

The institute has its own IRA D calls and substantial repository of International and National Journal publications, E-books, Online Lectures.

The Institute received on numbers R& D projects funded by UCC, INRNS and AICTE are running successfully till date. The Institute received World Hank assisted MHRD approved TEOIP (Phase-III) Great for Institutions technical Education Quality Improvement. The Institute is eligible for receiving control assistance under UCC act.

Recently the Institute has secured the DNT-FIST grare to approach the Research Facilities. The Institute has collaborations with Tech Makindra, Reliance Jio Infocots Ltd, CB, NASSCOM, Applie Discoptive Stall foundation, Oracle, INFOSYS, NIT Sikkim, IIT-KGP, AIT Burglock, Jadavpie University, IEEE, IEE and other occupances of course.

About the ECE Department

The department offers premier professional technical teaching & training that keeps in pace with the latest developments in the field of Electronics and Communication Engineering. The Department has excellent infrastructure, highly experienced faculties and professionals to deliver best technical education in ECE domain with track towards. Industry. The department organized faternational & National Educational Programs (i.e. IEEE sponsored Seminars, Workshops, Faculty Development Programs and one day educational Industrial towards in regular fashion. The Department also organized Paper presentation, Poster presentation.

Technical Quiz contest, Technical Report Writing Costest & Technical Workshop cam contest in association with IIT, Bomboy Department has active IEEE CAS Student Branch Chapter and student chapter of IITIL. The Dept, has more than 259 research publications in National & International Journals & Conferences The Dept is NBA accredited and awarded four on-going MODROD Projects. One RPS funded by AICTE, One Minne Project funded by UGC. The R&D biocassery of the Department has professional simulation software for research and training, like Tanner SPICE, CADENCE, Markley, Visual TCAD, HFSS, SIMICA, SYNOPSIS, PROTIUS, Quetner.

Active HDL, MPLS, Altera & Xilinx ISI, TMS Kit with Code Composer Studio, ARM, PIC & DSP Development Board and Advanced FPGA kit, PCB fabrication lobotatory, etc.
