Alumni Meet

Importance of Alumni in an Educational Institution

Students, present, and past both are vital and unique for an institution or university. It is common to lose track of most students after they proceed on their various careers, but tracking them all would be a huge task on any institution's part. But it is essential and urgent. Why? Because they carry the institution's reputation, which relies in large part on how successful students are in the real world. This process is self-feeding as well. If an institution becomes well known for producing graduates or postgraduates that are intelligent, innovative, and effective in their fields, then its reputation will grow. New students will have better job prospects because they went to a well-known institution, and the process will continue and cumulative.

Alumni also help to maintain smooth running of the institute through funds, donations and volunteerism. It requires a lot of money to keep an institute to run on its feet, and a big chunk of that comes from alumni donations. Sometimes, large donations allow institute or universities to provide students with newer technology, better facilities, and a nicer campus—which in turn keeps universities competitive and appealing. A key factor in college and university rankings is the amount of active alumni participation in institutes or universities. This isn't surprising, considering an active alumni base generally indicates that past graduates feel like they had a quality educational experience. Attending a school with very active alumni also often encourages current students to remain involved and active after graduation, once more perpetuating a good cycle. To encourage alumni participation, universities often honour successful alumni. Keeping in close contact with, and continuing to recognize alumni for their excellence is one of the surest ways for institutes and universities to both cultivate their community , reputation, and continue to receive monetary support from alumni.

Trip down the Memory Lane

We are pleased to have organised a wonderful and memorable Alumni meet-Nostalgia, 2k16(A trip down the memory lane) on 22nd October, 2016 at Narula Institute of Technology, Agarpara, Kolkata. The date and time of the meet was informed and publicised through social media and beforehand preparations were made for the success of the meet.

The ceremony began at 3.00 pm with the traditional lighting of lamp by our honourable Principal Dr. Maitreyi Ray Kanjilal, Mrs. Nidhi Singh, Registrar, and Dr. Sandip Chanda, HOD, EE Department, along with Mr. Sudhangshu Sarkar, President, Alumni Association, & Mr. Abhijit Ghosh Secretary, Alumni Association. The Alumni Meet was also attended by other alumni cell members, office staff and student volunteers.

The alumni member interacted with the departmental faculty member and HOD. In addition to this they have interacted with present students of the department. It has been found that the discussion was very fruitful, recent of the industries where discussed with future scope. There was a lab visit session where all the newly procurement equipment was demonstrated to alumni members.

Then the event was glittered by cultural performances done by our alumni students, along with DJ Night which again was performed by one of our alumni **Pradyumna Roy**. The mesmerizing Instrumental session was done by **Subhendu Chatterjee**, an alumnus from 2010 pass out batch. Student volunteers also entertained Alumni by asking them to share their college life, funny memories etc. Most of the Alumni were visiting their Alma mater after a long time and naturally were thrilled to be back in the campus again. Some of them attended the meet with their children and family members as well. The occasion was graced by more than 200 Alumni from last 12 batches.

The alumni then had a gala dinner with the faculties of the institute where great bonhomie was observed everywhere with old students reliving their old memories with their batch mates, seniors and juniors. Many of the current students were also seen interacting with their pass out seniors and learning from their experiences. In all, the ambience was electric with people seen chatting and enjoying in groups. The Alumni showed their willingness to help and partner in various ways.

Some Memorable Moments

The Meet ended with a sweet hope of Meeting again with Alumni next year. NiT looks forward for a greater partnership with the Alumni in the days to come.

Alumni Lecture 2017
ECE Department
Narula Institute of Technology
3rd March, 2017

A super successful session on Lecture about **INDUSTRIAL EXPOSURE** in Narula Institute of Technology in front of 4th year and 3rd year students. He was told to give 1.30 hour lecture. But it was extended up to 3 hours. The most important thing is that he is also an alumnus of this college. Lots of memories surrounded in the time of lecture.

Alumni interaction 2016

Narula Institute of Technology

The Programme for the undergraduates commenced 5th August, 2016 by welcoming hundreds of cheerful young learners. The programme started with a formal inauguration where the guardians of the candidates were greeted by the Honourable Principal madam with HOD sir..

The alumnus spoke enthusiastically about their departments and about various events in the college. They focused on the role of Training & Placement and college administration which led them to crack the job interviews.

Around 75 number of students including faculty Members and Technical Staffs participated in the event. The session was highly interactive with the speaker and participants.

Followings are some of the glimpses of the event.
