May 10, 2018

"NiT Jewels" the Annual Awards Day celebration was organized at the heart of NIT on **May 10, 2018**. The award ceremony started with the best wishes from the honourable Principal of NiT, Prof (Dr) M R Kanjilal.

In this ceremony with pride and glory the institute awarded the students under four categories: Academic Excellence, Technical Innovation, Cultural Exuberance and Sports Calibre. In the Academic Excellence category all the academic toppers across all the streams were awarded for their brilliant academic performances. In the Technical Innovation category the technical brains of Annual Techno Management Fest - **Kritanj 2k18** were awarded. The school students received standing ovation for showcasing their outstanding innovativeness in the project display competition. In the Sports category awards were given to the college cricket team who won the Champions Trophy at Inter college tournament organized by MAKAUT. In the Cultural Exuberance category awards were conferred on the students who won laurels outside the boundaries of the campus and made the institute proud. The journey of NiT started in 2001 and has completed more than fifteen years in the field of education. The spectrum of colours has illumined the dynamic performances of this institute which would not have been possible without the effort of the "Stalwarts of NiT" who have completed over a decade of service in this Institute. Nit also felicitated the scholars who have contributed in the area of Research & Development of the institute by receiving grants in major and minor projects, securing patents and providing consultancy services.

This year the institute has looked beyond the four boundaries of the college wall and took the effort to pay tribute to the unsung heroes

who are silently contributing for the betterment of the society. NiT paid tribute to the following personalities:

Kanta Chakraborty, a primary school teacher, who has been the guardian angel to several homeless young girls at the Dum Dum railway station, taking care of their every need, empowering them for the future and filling their lives with hope.

Subhasini Mistry is an Indian Social worker. She struggled in life working as a house maid, selling vegetables, and as a manual labourer. She went on to build a charitable hospital called "**Humanity Hospital**" for the poor. Saraswati Saha, an aged lady who opted not to beg but sell Papad in Agarpara Station for her own livelihood.

Pratima Poddar, a 42 year old lady who is Kolkata's first female Mini Bus driver. Mrs. Poddar is a safe driver who supports family after her husband's accident while driving.

Rakhi Poddar, daughter of Pratima Poddar, a meritorious student and a pursuing National level gymnast who is fighting all odds and supporting her family.

The Award Ceremony had a special session titled "**Honour The Leaders**" where twelve heads from different schools and three secondary school teachers were honoured for their outstanding contribution towards the student community. This session also witnessed the **felicitation of industry personnels**.

The most awaited award, the "**College Blue**", was conferred to **Yekta Roy, 4th year, Department of Electronics & Instrumentation Engineering** for consistent academic performance in the last four years, active participation in cultural, sports and technical activities and exhibiting sense of responsibility.

Nit Jewels 2018 helped to revitalize the potentials of different layers of society for a better tomorrow.

Cultural event on the occasion of Gurunanak's
birthday
03-11-2017

The Institute celebrates the birth anniversary of the first Sikh Guru, Guru Nanak dev ji on 03-11-2017 at the campus along with the entire faculty, staff members and the students. Kirtan and Shabad were sung linking everyone present with one God-the Wahe Guru followed by Ardaas or prayer to Waheguru for his protection and care, a plea for the welfare and prosperity of all mankind and distribution of Kada Prasad to everyone. Cultural tributes were presented by the students. A live portrait of Shri Nanak ji was also drawn by a student. The celebration aims to create a sense of belongingness and to create a secular atmosphere in the campus. Gurburab is a celebration based on the lives of the Sikh gurus. It is also known as GURU'S REMEMBRANCE DAY. The Gurus practised what they taught. They preached their followers the sweetness of humility, modesty, compassion, the necessity of bravery, freedom and justice. According to the Sikh belief, people do meditation and perform noble deeds and then pray to God for His benevolence and charity. Guru Nanak Dev Ji, the founder of Sikh religion, led the humanitarian approach forward by asking the devotees to tread on the path of three attributes namely- 'KIRT KARO', NAAM JAPO' & 'VAND CHAKO'. Both meditation and noble deeds are a prerequisite of an ideal life.
