

Registration Details

Please read the following information and instructions carefully before registering for STEPCon 2025.

Every participant have to register under a suitable "**Registration Category**". For "**Full Registration**", the participants can present **up to 2 papers** with 50% concession for second paper and for "**Student Registration**", the participants can present **only 1 paper**.

For All Authors and Conference Attendees

1. All participants need to be registered to attend the STEPCon 2025 by paying the requisite registration fees.
2. The registration fees include the conference kit, access/admission to technical sessions, lunch on all conference days, morning and evening refreshments.
3. At least one of the authors of every accepted paper must register for the conference as author and present the paper in order for it to be included in the IEEE Xplore® digital library. Non-presented paper will not be submitted to IEEE Xplore® digital library as per IEEE no-show policy.
4. If more than one author of an accepted paper wishes to attend the conference, all such authors need to be registered separately by paying applicable registration fee.
5. Any accepted paper included in the final program is expected to have at least one author must attend and present the paper at the conference. If an author or co-author is NOT available to present the paper at the conference, the TPC Chair can grant permission in some extreme cases to have the paper presented by a qualified substitute presenter. The deadline to submit a substitute presenter is November 10, 2025.

Participants can register for attending the conference through any of the below mentioned categories.
